

How can I get support?

- Program help is the most up-to-date written help. Help, Contents, search on a keyword will usually find the answer.
- The How To pdf documents provide step-by-step instructions for many unique topics. Click on the Links dropdown, then on How To pdf documents to get the Table of Contents on our website.
- Email support @promas.com when the question is not urgent.
- Call the Help Desk – 800-397-1499 to get a callback.
